Posture is more than ergonomics—it is how you tell a story.

Sit up straight to command attention.

Lean in to create excitement.

The way you sit speaks as loudly as words.
A balance of strength and softness, authority and familiarity.

Luno’s hard and precise shell appeals to logic, while its wide, soft, welcoming interior provides comfort.
Luno incorporates movement and varied posture to improve communication.
High Back
Select two different upholstery options for the inner and outer shell to give a bespoke look.
